

Quick guideline for the use of the ELME Spreader AB logo

- The logo must not be distorted in any way.
- The original shall maintain the proportions of its original design.
- You are allowed to resize the logo, but the proportions must remain the same.
- You may not change any colors; these must be completely original.
 - Four-color printing: (CMYK) 0% cyan, 30% magenta, 100% yellow, 0% black.
The text is black.
 - Three-color printing: (RGB) R 250, G 187, B 0. The text is black.
 - One-color printing: (PMS) Yellow plate is PMS 130. The text is black.
- Any use of the logo should be discussed with the Head of Sales & Marketing, Jens Petersson, email: jens.petersson@elme.com.
- You are obliged to present sample of the intended use.
- If logos are used improperly, this will be followed up by ELME Spreader AB.
